RE: Notice to Mariners

Location: Mile 286.00 Illinois River – upstream of Brandon Road Lock and Dam

Timeframe: 24 hours per day, 7 days per week beginning 4/23/2022 to 9/19/2022

J.F. Brennan Company, Inc. will have a marine plant fleeted on the right descending bank outside of the navigation channel. This plant will extend approximately 50 FT past the upper mooring cell on land wall.

Please contact the M/V Thomas Kennedy on marine channels 13 or 16 prior to transiting the area or 608-799-4414. After-hour calls can be made to 608-519-5273.

Respectfully Submitted,

Daniel Palen  
Vice President Marine Safety & Compliance
